

# BUST ARTWORKS

CATÁLOGO

## **BEFORE YOU CONTINUE.**

**This work contains artistic depictions of taboo  
and violent themes.**

**Hello! Groovy here!**

**This is a compilation of artworks that I labelled as  
“Busts” and are compiled here so it is easier for  
anyone to see like a little artbook or mini gallery.**

**With that said, hope you enjoy this small art  
compilation.**
